GUIDELINES FOR ROSEWOOD:

Fencing Options:

- Plain, white 6ft. vinyl fence or black aluminum fence
- NO wood options
- Architectural Request Form must be completed, fully submitted, and approved by the committee before any type of fencing can begin

Outbuilding Options:

- Must be on a concrete foundation or underpinned
 - If underpinned, the style & color of underpinning must be submitted along with an example drawing or picture
 - Must have foundation shrubbery equal on both sides of door/ramp. (Recommended: foundation shrubbery every eight feet.) Types of plants / shrubbery, location, and drawings / pictures must be submitted
- Must be vinyl and the same color vinyl as the house/siding/shakes
- Roofing material and color must be the same as the roofing on the house
- Should be placed to minimize a ramp. If a ramp is needed, the ramp can be concrete or wood. If wood, the sides of the ramp must be closed in, and this must be visible on the pictures.
- Architectural Request Form must be completed, fully submitted, and approved by the committee before any type of outbuilding construction can begin
- Approved outbuildings are to be sited at the rear of the house

Time Limitations:

After the review and approval of the Committee, the participating Builder must begin construction within six (6) months from the date of approval or forfeit all approvals. In that event, a new application must be submitted, and approval obtained before commencement of construction. In any event, construction must be completed within twelve (12) months of commencement.
